| Wed 17   |           |                            |                       | Leslie Van Gelder |            |                                       |                        | <b>Natural History &amp; Pitt Rivers Museums</b> | Discussion                                 |                                       |                    |                    |                        |  |                       |                          |
| Thurs 18 |           |                            | Peter Atkins          | Discussion        |            |                                       |                        | Olivera Petrovich, Leslie Van Gelder (CSL)       | Evaluate                                   | Dinner (Out)                          |                    |                    |                        |  |                       |                          |
| Fri 19   |           |                            | Checkin               | Kevin Sharpe      | Discussion |                                       | Closing                |  |  |                                       |                    |                    |                        |  |                       |                          |

**Key:**

IRC = Ian Ramsey Centre Workshop at St Anne's College

CSL = C. S. Lewis Foundation's program at St Catherine's College and The Sheldonian for Russell Stannard

BOG = break out groups

**Bold** = optional sightseeing

*Italics* = optional presentations (repeating presenters)

All seminar events and meals are at Harris Manchester College, apart from IRC events at St Anne's College, the CSL events either at The Sheldonian or St Catherine's College, and the final Dinner.
